Introduction

Dungeon Master Quests are a series of out-of-game quests that DMs can undertake during the course of a specific season’s adventures. These quests provide rewards for not only their characters, but characters belonging to other players as well!

Some quests are season specific and others will carry on and renew each season (League Quests vs Storyline/Chain Quests). When a DM runs their first adventure for the current season, they should download the DM Quests packet from the DMs Guild, which consists of a DM Quests card, DM Quest Sheet and other special rewards for the season. This card is a fun checklist that DMs can use to track their ongoing quest progress or record those they may have already completed. The DM Quest Sheet is a detailed document of all the quest and includes quest name, quest activity, frequency, the DM and player rewards associated, and other details of the DM Quest rewards program.

To join the DM Quests program a DM need simply download the DM Quests packet from the DMs Guild and print out the card (preferably in color and on card stock).

Whenever a DM finishes a quest they check it off on their DM Quest card and apply the rewards as a separate entry on their logsheet as detailed in the DM Quest Sheet. Some rewards include special player rewards for games that the DM hosts.

FAQ

Are the DM Quests retroactive?
The DM Quests are effective for game sessions that started March 4th, 2016 or later, and DMs and administrators of DDEP4: Reclamation of Phlan and DDAL4-01: Suits of the Mists at Winter Fantasy 2016 or DDAL04-02: The Beast and DDAL04-03: The Executioner at GadCon 2016 and GaryCon 2016 may apply their DM Quest results to their DM Quests Sheet.

Are DMs able to get items only from adventures they DM starting now or any previously run?
DM Quests are available for adventures run on or after March 4th, but some quests may be affected by adventures from earlier seasons. For example, there are no DM Quests for the Tyranny of Dragons seasons (season 1), but completing a quest on the Curse of Strahd tracking sheet may allow a DM to choose a permanent magic item from an adventure that they DM’d from the Tyranny of Dragons season.

Does a store owner/organizer need to sign off?
No one needs to sign off, like all logsheet entries, this is on the honor system.

What constitutes an “other” location?
Anything not listed, play on a cruise ship - check, play at summer camp - check, play at an after school program – check. Locations that are dual use, a convention on a cruise-ship, only count for one, not both.

Can a single activity count for more than one quest?
Yes, if you participate in an event that could start, continue, or complete more than one quest, they all apply.
